

## Results of BSBC Survey Responses Collected Through October 23, 2023

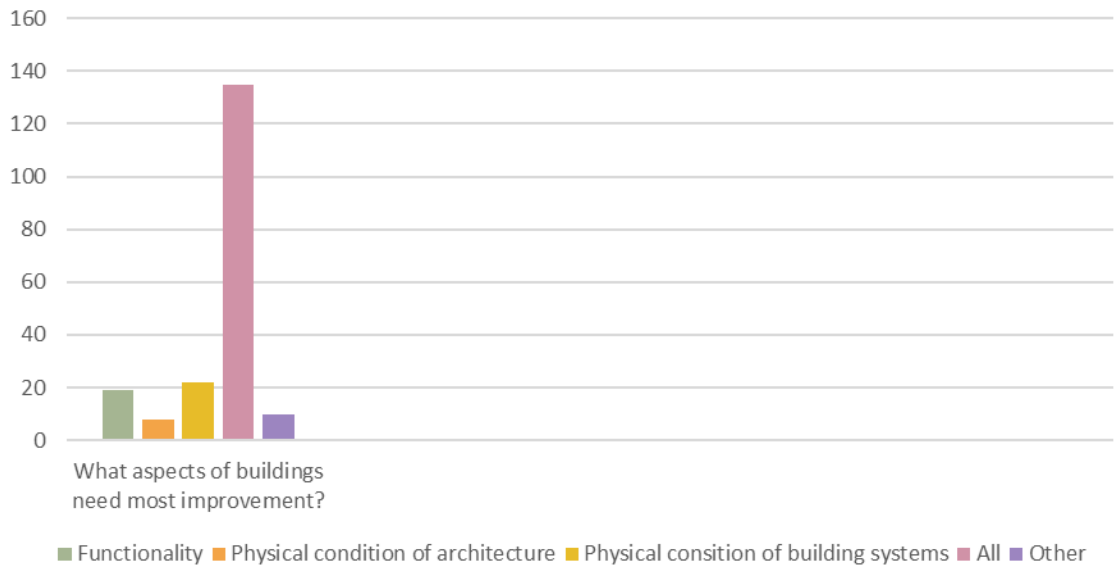

This survey contains responses from **194** unique respondents. Some survey questions allowed for binary responses (“select one”) and some survey questions allowed for multiple responses (“select all that apply”). Please note that this survey does not use quantitative research questions and is NOT presented as a rigorous or scientific sampling of the Town of Barrington. This snapshot of responses is being shared to provide a sense of where some Barrington residents identify on this issue.
